CCA-CFA MIDDLE SCHOOL SUMMER READING CHOICES

We hope to generate a love of reading in our students by allowing them more choice in book selections over the summer. Middle school students should select a book from this list to read. Alternately, they can choose a book in a genre that interests them at their Lexile level (found on the NWEA test scores sheet in the end-of-year packet), as long as it is approved by their teacher; visit www.lexile.com for more information about the Lexile scale.

The first week we return to school, students will discuss and write about the book they have read.
