## STUDENT CODE OF CONDUCT

### Foreword

A college preparatory education is the primary purpose of Lake Lure Classical Academy: A Challenge Foundation Academy (LLCA-CFA). In order for teachers to teach and students to learn, an atmosphere conducive to learning must be consistently maintained. Accordingly, the teacher, as the recognized authority in the classroom, serves as the role model to set the expectations for student behavior.

Discipline is defined as well-ordered, directed behavior. The parents, guardians, students, teachers, School Director, administrative and support personnel, and the Board of Directors of LLCA-CFA share responsibilities in the positive development and maintenance of disciplined behavior. Discipline shall be maintained without the use of corporal punishment, which is prohibited at LLCA-CFA. Every student has a right to an environment that encourages learning and is free of disruption. This handbook presents guidelines on behavior and school citizenship for students that are based on policies of LLCA-CFA. The following broad categories related to student conduct are included:

- Basic Rights and Responsibilities
- The Student Code of Conduct
- Due Process Procedures and Rights of Appeal

The rules of conduct and sanctions for violations detailed in this document are part of our continuing responsibility to monitor student behavior. The explanations of violations and the definition of terms have been expanded to assist students in understanding the expected behaviors.

**A set of rules does not replace the administrator's judgment in the review of discipline incidents. The levels indicated for school initiated consequences are a guide for the administrator but the levels may be increased or lessened if, in the view of the administrator, the situation calls for that judgment. (Violations of the laws of North Carolina will be handled pursuant to normal arrest procedures and are not within the administrator's jurisdiction.) The administration has the authority to use administrative discretion in dealing with these matters to ensure the safety and well being of our students.** In order for schools to be safe and orderly places for learning, rules must be obeyed. These rules are written to give direction. However, in daily activity, one basic rule is that good, sound judgment must be exercised in consideration of conditions of the moment. Furthermore, it is recognized that students need to be active participants in maintaining a safe and orderly school environment. To promote the active involvement and self-discipline of students, school staff members must remember that students need to feel respected and valued. Opportunities to learn from mistakes create a context for students to learn to make good choices in the future. *Ultimately, the goal is for students to do the right thing, even when no one is looking.*

**Staff & Student Rights:** No individual, whether it be a parent, staff member, or board member, has the authority to give directives to any student, other staff member, parent, or board member, unless he or she has been explicitly delegated that authority by the School Director, except in extreme cases where the safety of the school community is clearly at risk.

## **Student Code of Conduct**

The code of conduct for a student attending LLCA-CFA is presented as rules and sanctions. These rules and sanctions have been adopted LLCA-CFA and represent its official policy. Each rule is accompanied by the consequences (sanctions) for breaking that rule. These consequences are stated as the minimum and maximum for each rule violation. Teachers, School Director, and other authorized personnel (including volunteers and bus drivers) are responsible for monitoring student conduct. Rule violations are to be reported via Electronic Discipline slips (referred to as E-Slips) to the School Director.

### **EXPLANATION OF DISCIPLINARY LEVELS SCHOOL INITIATED CONSEQUENCES**

This rule covers class work, homework, tests, and any and all other assignments completed during the suspension. \*\*Each additional suspension will result in all school work being graded as Zero in the grade book. This information will be held in the utmost of confidence and will not be released to any third party without the written permission from the parents.**

## **DUE PROCESS PROCEDURES /RIGHTS of APPEAL**

The following procedure is to be followed whenever a parent disagrees with a particular discipline situation:

1. The parent is to set an appointment to meet with the teacher or staff member if the issue does not involve a E-Discipline slip.
2. It should be brought to the School Director if the issue involves a E-Discipline Slip.
3. If not satisfactorily resolved it is then referred to the Discipline Committee.
4. Finally, if the issue remains unresolved, the School Director will hear the evidence and make a determination. A final recourse for the parent is to write a letter of grievance to the LLCA-CFA Board of Directors.

### **To ensure professionalism on the LLCA-CFA Discipline Committee:**

1. The committee members will consist of the teachers at LLCA-CFA who will serve on a regular rotating basis to reduce bias.
2. Any members who issued the E-Discipline slip cannot serve on the Discipline Committee that month but will serve on a later committee. Another teacher will rotate on to cover that seat.
3. No member can hear a matter involving his or her child or a friend's child.
4. The members will hear the facts from only the staff issuing the E-Discipline slip and the student or students involved and may ask questions of those at the hearing
5. The members will vote anonymously on a ballot and place it in a ballot box for guilt or innocence.
6. The majority vote will stand as the final decision on the matter.
7. The findings of the members will be turned into the School Director for follow-up if guilt is found.

## **Character Traits Found in the Student Rights, Responsibilities and Character Development Handbook**

This handbook supports the belief that character development and student discipline go hand-in-hand; one is proactive while the other is reactive. Consequently, the rules for student behaviors have been aligned to the related character traits. This alignment chart serves as a guide for all staff members as a means to promote student learning.

Any student receiving a Level 4 suspension or higher, or multiple Level 3 suspensions will automatically forfeit the privileges of all extra-curricular activities, including but not limited to, athletics, field trips, and all after school activities for the remainder of that semester or school year.

## **Lake Lure Classical Academy: A Challenge Foundation Academy Internet Safety Policy/Acceptable Use Agreement**

### **Introduction**

Internet access providing vast, diverse, and unique resources to both students and staff is available to Lake Lure Classical Academy: A Challenge Foundation Academy (LLCA-CFA). The goal of LLCA-CFA is to promote educational excellence by facilitating resource sharing, innovation, and communication.

The Internet is an electronic highway connecting millions of computers all over the world as well as millions of individual subscribers. Students and staff have access to the following:

1. Electronic mail communication
2. Information and news from worldwide resources and research institutes
3. Public domain software and shareware of all types
4. Discussion groups and material on virtually any subject
5. Access to many university library catalogs, the Library of Congress and the Educational Resources Information Center (ERIC).

With worldwide access comes the availability of material that may not be of educational value. On a global network it is impossible to control all materials, and despite the use of safeguards users may on occasion encounter objectionable material. However, LLCA-CFA believes that access to valuable information and interaction available through the network outweighs this possibility.

Internet access is coordinated through an association of government agencies and regional and state networks. Smooth operation of the network relies upon the proper conduct of the users as they adhere to the guidelines and responsibilities noted in this agreement. In the event a user violates any terms or conditions, their account may be terminated, and future access to the network may be denied.

**A signature at the end of this document is legally binding and indicates that the signatory has carefully read the terms and conditions and understands their significance.**

### **Access to Inappropriate Material**

To the extent practical, LLCA-CFA has taken precautions to restrict access to inappropriate materials by using technology protection measures or "Internet Filters" to block or filter inappropriate Internet content, inappropriate electronic communications, and other access to inappropriate information.

Specifically, as required by the Children's Internet Protection Act (CIPA), blocking shall be applied to visual depiction of material deemed obscene or pornographic, or to any material deemed harmful to minors.

Technology protection measures may be disabled, or in the case of minors, minimized only for bona fide research or other lawful purposes and only when subject to staff supervision.

It is the policy of LLCA-CFA to strive to:

- A. Prevent user access to, or transmission of inappropriate material via Internet, electronic mail, or other forms of direct electronic communications over its computer network
- B. Prevent unauthorized access and other unlawful online activity
- C. Prevent unauthorized online disclosure, use, or dissemination of personal identification information of minors
- D. Comply with the Children's Internet Protection Act [Pub. L. No. 106-554 and 47 USC 254 (h)].

### VI. *Security*

Security on any computer system is a high priority, especially when that system includes many users. If a security problem is identified, notify the system administrator. Do not demonstrate the problem to other users. Messages relating to or in support of illegal activities may be reported to the authorities.

### VII. *E-mail Accounts*

Employees will be assigned individual e-mail accounts. E-mail accounts are to be used only by the owner unless written permission is obtained from the owner of the account. Impersonation and anonymity are not allowed. Electronic mail is not guaranteed to be private; system operators have

access to all electronic mail. E-mail accounts, including free accounts and those provided by outside vendors (e.g., Hotmail, Excite Mail, et al.) may be monitored if those accounts are accessed through the school network. Upon leaving the school, the employee's account will be terminated.

#### VIII. *Privacy*

Network administrators may review files and communications to maintain system integrity and insure that users are using the system responsibly. Files stored on LLCA-CFA's servers and hard drives of individual computers are not private. Confidential files (e.g., personnel files, Exceptional Children's records, and other similar electronic data repositories) are to be accessed only by authorized personnel.
