LAKE LURE CLASSICAL ACADEMY
CAMP S.O.A.R. 2017**

The Lake Lure Classical Academy's Summer S.O.A.R Program provides campers with opportunities to go beyond the textbooks and explore learning in unique and fun ways. SOAR will offer activities in the areas of Science, Technology, Engineering, Math, Arts, Reading and Sports. It is our mission to provide a hands-on summer experience which encourages social, academic, and motor skill enhancement for our campers in a school and community setting. We strive to both motivate and empower our campers by engaging them in activities that are challenging, educational, and fun.

We aspire to provide a camp experience for all students in our community. We are reaching out to local businesses asking if they would be willing to sponsor a child for Camp S.O.A.R. Your tax deductible donation would make a huge impact on our ability to provide students who have limited resources the opportunity to attend. Thank you in advance for your generosity in helping to make Camp S.O.A.R a successful experience for students in our community.
