

NEW Pickup and Drop-off in Hendersonville starting
February 26, 2018

ALL Traffic will enter off
OF Howard Gap Road and form
a Single File Line on the
right side of the driveway.
The line will begin in the
center of the parking lot.
Each car will pull up
to the buses and let
their child(ren) get
on their bus. Each
car will exit onto
Hwy 64 or Howard
Gap. This should
prevent any of
the students from
getting harmed. The
drop-off in the
afternoon will be
conducted in the
same manner.

Thank you for
your support.
