Lake Lure Classical Academy-CFA's Mission Statement

Our Mission: Lake Lure Classical Academy: A Challenge Foundation Academy (LLCA-CFA) provides an educational community with high academic and character expectations, creating lifelong learners.

Academic Program Overview

Elementary School:

Our elementary school is Kindergarten through Grade five. We have two sections of each grade level. Our elementary curriculum is based on Core Knowledge and also follows the North Carolina Standard Course of Study. Our students take Measure of Academic Progress (MAP) tests three times each year to assess growth and guide instruction. All students, in Grade three-five also take North Carolina's End of Grade (EOG) tests in Math and Reading. Grade five also has a Science EOG. These test are given in the Spring. Grade three students also take a Beginning of Grade Three reading test to assess reading.

Middle School:

Our Middle School comprises Grades 6-7-8. All middle school students take four Core Classes daily: Math, Language Arts, Science and Social Studies. Students also have a daily physical education class and two additional electives.

High School:

- **Traditional High School Option:** Students will take classes required to graduate from Lake Lure Classical Academy in accordance with the state requirements. All of the classes will be offered on campus at LLCA.
- **Technical Prep Option:** Students will take classes required to graduate from Lake Lure Classical Academy in accordance with the state requirements. Junior and senior year they will have the opportunity to take some hands-on classes at ICC or online courses through ICC. These classes will be dual credit classes that count as elective credits at LLCA. Many of these courses could enable them to receive a certificate(s) from ICC, along with their High School Diploma.
 - *Examples of technical courses include:* welding, autobody, criminal justice and business administration.
 - Students taking Isothermal Community College courses will be responsible for purchasing any necessary textbooks. If purchasing textbooks presents an extreme hardship please contact the Secondary Dean.
- **College Prep Option:** Students will take LLCA courses in combination with dual credit courses through ICC to meet high school graduation requirements. Potential to achieve Associate of Arts or Associate of Science degree at completion of high school along with a high school diploma. These dual credits could give them the opportunity to graduate with an Associate's of Arts or Associate's of Science Degree, along with their High School Diploma.

- *ICC classes will be taught by the following methods:*
 - 1. Online
 - 2. On the LLCA Campus by an ICC instructor.
 - 3. Minimal classes require you to be on the ICC Campus.
- Placement testing may be required for this option.
- Students taking Isothermal Community College courses will be responsible for purchasing any necessary textbooks. If purchasing textbooks presents an extreme hardship please contact the Secondary Dean.

Academic Integrity:

Cheating in any form is not permitted, this includes copying work of others, plagiarizing-representing the work of others as your own, changing answers, forging parent signatures.

Consequences, can include parent notification/conference, requiring student to redo the assignment, loss of credit, etc. Students taking college classes, the student could be removed from the class and lose all credit.

Accidents:

If you are injured during the school day, it is important that you report your injury to your teacher or coach immediately. If a student is injured or there is some type of emergency during the school day, every effort will be made to contact a parent. **It is of the utmost importance that the school has current home, work, mobile, and emergency numbers for each student.** Please keep the school informed of any change in telephone numbers or emergency contact(s).

Athletics:

If you have specific questions about athletics please contact Mr. Tripp Searcy, LLCA-CFA Athletic Director.

Fall	Winter	Spring

Athletic Eligibility

Athletes are expected to maintain a positive standing regarding behavior, grades AND attendance. Students assigned to In-School Suspension (ISS) or Out of School Suspension (OSS) will not be allowed to attend or participate in any athletic practices or competitions **UNTIL** the entire consequence has been served. Parents are also expected to pick up their student athlete at the end of practice as well as after a game by the designated time set forth by the coach. Failure to do so could lead to missing a sporting event or even dismissal from the team (based on the coach’s expectations).

Student Athletic Handbook

Attendance:

Arrival and Departure:

Car Riders should be dropped off only in the designated area at the school entrance each morning and picked up in the same location each afternoon. For *student safety*, and for supervision purposes, **car riders are not allowed to be dropped off until 7:30 each morning (All car riders are to be picked up no later than 3:30 each**

afternoon. Car Riders that are not picked up at 3:30 will be taken to Raptor Care.) We respectfully request parents in the car rider line to pay attention at dismissal. Being on cell phones while your car is moving places students in jeopardy.

Tardy Policy Grade K-5 :

It is very important for students to learn the value and importance of being on time from a young age. When students arrive late or miss school he or she misses valuable face to face time with the teacher that can not be recovered. When students chronically arrive late the learning of others is disrupted and interrupts the flow of the school day. We understand that there are occasional unforeseen events, and the need to schedule appointments. Please communicate with the classroom teacher in advance. The elementary dean will meet with parents of students who are chronically late.

Tardy Policy Grades 6-12 Secondary :

Reasons why getting to school on time is important:

- Missing instructional time.
- Safety (all students are accounted for at 8:00 AM)
- Great life/work skill to develop.

Secondary students that are tardy more than twice in any single class during a **6 week** grading period will face the following consequences:

3rd Tardy - 1 Day Lunch Detention

4th Tardy - 2 Days Lunch Detention

5th Tardy - After-school Detention (1 hour)

6th Tardy - 1 Day ISS

7th Tardy - OSS

*School administration reserves the right to add additional consequences if necessary.

Early Dismissal:

Parents are expected to carefully monitor the number of early dismissals for students so that they do not miss classroom instruction. **Students should not be picked up “early” to avoid the car rider line.** In the event an early dismissal occurs for a student that surpasses 5 times, the Division Dean will meet or speak directly with the parent. Please know that we realize emergencies do occur. We simply want to protect each child’s education to the greatest extent. Students will only be allowed to leave school early with parental permission. If parents request that someone else retrieve their student, the person doing so **MUST** be listed as a contact in our system and also must show ID for verification. Parents must also send a note ahead of time stating the time and reason for the dismissal, the name of the person who will be picking up the student, and a telephone number where a parent can be reached in case there is a question. The parent, or the person picking up the student, must come to the front desk and sign-out the student, must present a valid ID or license. Last minute changes to a student’s dismissal are discouraged, the end of the day is extremely busy in the office. Unless a true emergency please refrain from calling between 2:00 PM & 3:00 PM. No checkouts will be permitted after 2:45 PM. Please plan ahead. If your student must check out for a medical appointment we request documentation from your health provider.

Lake Lure Classical Academy believes that regular school attendance is of crucial importance for educational achievement, that learning experiences that occur in the classroom are essential components of its learning process, that time lost from class tends to be irretrievable in terms of opportunity for instructional interaction, and, therefore, that each student should attend school every day. The State of North Carolina requires that every child in the State between the ages of seven (7) (or younger if enrolled) and sixteen (16) attend school. Lake Lure Classical Academy believes the primary responsibility for regular attendance resides with the parents/guardians and the individual student. Students are expected to arrive on time and remain in school the full day. Tardies and early dismissals cause students to miss important information and are strongly discouraged. The school attendance

team will develop appropriate interventions for students who are chronically tardy or who leave early. Tardies and early dismissals will be considered excused for the same reasons allowed for excused absences listed below in section B. II. Lake Lure Classical Academy shall adhere to the North Carolina General Statutes pertaining to student attendance except to the extent this policy imposes stricter regulations. Furthermore, LLCA is committed to the implementation of a student attendance policy that is nondiscriminatory, discourages dropouts, and encourages regular attendance.

- A. ATTENDANCE RECORDS-Lake Lure Classical Academy shall keep accurate records of attendance, including accurate attendance records in each class. Attendance records will be used to enforce North Carolina's compulsory attendance statutes (G.S. 115C-378 through -383).
- B. ABSENCES- Attendance Requirements by Grade Level

1. **Elementary Grades K-5** have a maximum combined total of sixteen (16) excused and unexcused absences in a school year. Students must be in school one half of the day to be counted as present. Any absences over 16 must be made up in accordance with the school's Attendance Make-Up Program which will be held after school.
2. **Middle School Grades 6-8** may only have a maximum combined total of sixteen (16) excused and unexcused absences per school year. Any absences over sixteen (16) must be made up in accordance with the school's Attendance Make-up Program which will be after school or Saturday Make Up Academy. Students must be in attendance one half (1/2) of the day to be counted present for the day. For students taking any courses resulting in high school credit, students taking those classes must follow attendance rules for High School.
3. **High School Grades 9-12:** If a student has missed more than two class periods in a six week grading period (excused or unexcused) the student must make up each period hour for hour. If the time is not made up before report cards the student will receive an incomplete. Absence appeal forms can be filled out to give the student up to two additional weeks to make up time. These appeal forms will be reviewed by school administration before approval. Time can be made up during a teacher's after school tutoring session. Absences are considered for each class and students must be present two thirds (2/3) of the class to be counted as present.

Teacher-Made Exam Exemption Procedure:

Any student that has not missed more than 3 days (excused or unexcused) in the semester and has at least an 80 grade average in the course is eligible to be exempt from teacher-made exams. The student will have an option to take the exam if they would like to enhance their final grade.

Due to the recent sickness outbreak we have decided to take a close look at the high school exam exemption policy. The intention of this policy is to encourage students to be present at school and work hard in class. With that said, we do not want students to return to school before their doctors note expires. Beginning this semester (Spring 2018) we will allow a student to accumulate up to five absences due to sickness and still be exempt from the teacher-made exams. Students must not miss more than five days and must have a doctors note for all absences and a verified diagnoses.

LAWFUL (EXCUSED) ABSENCES

When a student must miss school, the parent or legal guardian must supply documentation regarding the reason for the absence to the school upon the student's return to school. **Absences are listed as unexcused until documentation is received.** Documentation will not be accepted after thirty (30) days without prior approval from a school administrator or the attendance team. Absences due to extended illnesses generally require a statement from a physician if there is a history of chronic absences. As soon as a parent anticipates a student's extended absence because of a severe, prolonged, or chronic illness under a physician's care, the parent shall notify the Division Dean. In the case of excused absences and short-term out-of-school suspensions, the student will be permitted to make up any tests or other work missed. The teacher will determine when work is to be made up. The student is responsible for finding out what assignments are due and completing them within the specified time period.

An absence may be excused for any of the following reasons

1. Personal illness or injury that makes the student physically unable to attend school.
2. Isolation ordered by the local health officer or the State Board of Health.
3. Death in the immediate family.

4. Medical or dental appointment.
5. Participation under subpoena as a witness in a court proceeding.
6. At least two (2) days of excused absences must be allowed each academic year for religious observances required by the faith of a student or a student's parents.
7. Participation in a valid educational opportunity, such as travel or service as a legislative or Governor's page, with prior approval from the Division Dean.
8. Pregnancy and related conditions or parenting, when medically necessary.
9. A student whose parent or legal guardian is an active duty member of the uniformed Children of Military Families; and (b) has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat support posting will be granted additional excused absences at the discretion of the Executive Director or designee to visit with his or her parent or legal guardian.

UNLAWFUL (UNEXCUSED) ABSENCES For students who are entitled to attend public school and who have enrolled in a public school, unlawful absence is defined as:

1. A student's willful absence from school with or without the knowledge of the parent
2. A student's absence from school for any reason other than those listed in Section B under "Lawful Absences"
3. When students are not permitted to attend school because they lack proper immunization.

The Division Dean or the Division Dean designee must notify the parent, guardian, or custodian of his/her child's excessive absences after the child has accumulated **three** unlawful absences in a school year. After not more than six (6) unlawful absences, the Division Dean or the Division Dean designee must notify the parent, guardian, or custodian by mail that he or she may be in violation of the Compulsory Attendance Law and may be prosecuted if the absences cannot be justified under the established attendance policies of the State and local boards of education. **(G.S. 115C-378)** In the case of unexcused absences, the student will be permitted to make up any tests or other work missed. The teacher will determine when work is to be made up. The student is responsible for finding out what assignments are due and completing them within a specified time period. Mandatory Attendance and Truancy Unexcused absences may include any reasons not covered above. Students are considered truant after the tenth (10th) unexcused absence. **Upon the tenth (10th) unexcused absence in K-8, and fifth (5th) unexcused absence in 9-12, a conference is required to develop an attendance improvement plan.** Truancy charges may be filed against the student, the parent, or both if unexcused absences continue. "After 10 accumulated unexcused absences in a school year, the Division Dean or the Division Dean's designee shall review any report or investigation prepared under G.S. 115C-381 and shall confer with the student and the student's parent, guardian, or custodian, if possible, to determine whether the parent, guardian, or custodian has received notification pursuant to this section and made a good faith effort to comply with the law. If the Division Dean or designee determines that the parent, guardian, or custodian has not made a good faith effort to comply with the law, the Division Dean may notify the district attorney and the director of social services of the county where the child resides. If the Division Dean or designee determines that the parent, guardian, or custodian has not made a good faith effort to comply with the law, the Division Dean may file a complaint with the juvenile court counselor pursuant to Chapter 7B of the General Statutes that the child is habitually absent from school without a valid excuse." (NCGS 115C-378(f)) This statute applies to students up to age 16.

SCHOOL-RELATED ACTIVITIES All classroom activities are important and difficult, if not impossible, to replace if missed. Division Dean shall ensure that classes missed by students due to school-related activities are kept to an absolute minimum. The following school-related activities will not be counted as absences from either class or school:

1. field trips sponsored by the Lake Lure Classical Academy
2. school approved job shadows and other work-based learning opportunities, as described in G.S.115C-47(34a), which are not to exceed two (2) days without prior principal approval
3. school-initiated and -scheduled activities
4. athletic events that require early dismissal from school
5. in-school suspensions/ completions of alternative to suspension program. Assignments missed for these reasons are eligible for makeup by the student. The teacher will determine when work is to be made up. The student is responsible for finding out what assignments are due and completing them within the specified time period.

EXCESSIVE ABSENCES

Class attendance and participation are critical elements of the educational process and may be taken into account in assessing academic achievement. Students are expected to be at school on time and to be present at the scheduled starting time for each class. Students who are excessively tardy to school or class may be suspended for up to two (2) days for such offenses. The Division Dean shall notify parents and take all other steps required by G.S.

115C-378 for excessive absences. Students may be suspended for up to two (2) days for truancy. Each Division Dean will establish a school attendance team to monitor school-wide attendance and design interventions to reduce individual student excused and unexcused absences. Lake Lure Classical Academy will collect and review data regularly to make decisions about individual interventions, targeted group interventions, and school-wide incentives for improved attendance. If a student is absent from school for five (5) or more days in a semester, the attendance committee shall **consider** whether a specific plan to improve attendance is necessary. The Division Dean or committee shall review other measures of academic achievement, the circumstances of the absences, the number of absences, and the extent to which the student completed missed work when developing a plan.

Interventions could include:

1. parent education/counseling sessions;
2. individual/student counseling;
3. referral to appropriate community agencies;
4. positive behavior supports for students and parents;
5. assigned time to make-up missed work. Students may be required to attend after-school or summer school or Saturday Attendance Academy to make up missed days

Parents must receive notification (documentation required) when students have accumulated three (3) unlawful absences. Once a student has been absent for any unlawful reason for six (6) cumulative days, the Division Dean or designee shall notify the student's parents in writing, in accordance with the NC Compulsory Attendance Law. Subsequently an individual attendance intervention plan will be developed through the school based attendance committee in cooperation with the parent, guardian, or custodian. The principal shall recommend the revocation in writing to the Superintendent or designee.

Lake Lure Classical Academy will provide the opportunity for attendance make-up through an Attendance Make-up Program, which may include Saturday school, after school makeup tutoring sessions, Attendance Summer School, or other make-up requirements as identified by the Division Dean and attendance teams.

Occasionally unique or unusual situations arise which are not specifically addressed by this policy. The Executive Director, upon written recommendation from the Division Dean may authorize alternatives to the policy in order to achieve fairness to the student without weakening the effect of the policy.

Non-Promotion Pursuant to this policy, students failing to meet attendance requirements in any required course for promotion shall neither be promoted nor allowed to participate in promotion exercises.

<https://goo.gl/forms/loWxgijSjRCV7qEv1>

All calls or completed forms will be addressed by school officials within two business days. Thank you for your concern and assistance in providing our students with a positive learning experience.

Is it bullying or conflict? Bullying has 3 components.

1. Intent to harm
2. Imbalance of Power
3. - Including race, color, religion, ancestry, national origin, gender, sex, age, socioeconomic status, academic status, gender identity, physical appearance, sexual orientation, pregnancy, physical development or sensory disability or by association with a person who is perceived to have one or more differences.
4. Repeated over a period of time (or one time and extremely severe.)

Bus Transportation/Regulations:

Our primary concern is to transport students to and from school safely. Bus safety and emergency evacuation drills will be regularly conducted to ensure students understand emergency procedures. **School bus service is a privilege, not a right. Students must follow the rules of proper conduct or bus suspension may result and parents will have to provide transportation to and from school. Depending on the severity of the incident, students may also be subject to school disciplinary consequences.** Please understand that bus stops and school buses are considered an extension of the school campus and all Lake Lure Classical Academy rules, policies, and procedures apply.

The following bus safety rules are to be followed at all times:

- Students should wait for the bus to come to a complete stop before getting on or off the bus
- Students must enter and leave the bus at the front door, except in cases of emergencies
- Students must keep their entire body inside the bus window at all times
- Students are expected to obey the driver or bus monitor promptly and respectfully
- Students may talk quietly to their friends seated near them
- Students must remain seated, facing forward, while the bus is in motion
- Students may not fight, play, throw objects, talk loudly, shout, or otherwise distract the driver's attention
- Pens, pencils, and other sharp objects must be stored in book bags or pockets
- Water in plastic bottles or closed non glass containers is the only drink permitted on the bus.
- No eating on the bus.
- Students may not delay the bus schedule
- Students may not tamper with the bus or any bus equipment
- **Students are not allowed to ride a bus other than their assigned bus or exit their assigned bus at any stop other than their own unless the student has a note signed by a parent/guardian, turned in the office, and approved by an administrator. If a bus is already at maximum ridership, these requests may be denied. Any alternate arrangements must be approved before 2:30 pm. NOTE: If a parent/guardian "calls" the school and requests that their child ride the bus home with another student, the request will be denied. A signed parent/guardian note must be provided to the the office (email or fax will be acceptable as well).**

The following infractions may result in suspension from the bus:

- Delaying the bus schedule
- Fighting, possession/use of tobacco products, using profanity, or refusing to obey the instructions of school authorities including the bus driver
- Tampering with the bus
- Throwing objects from the bus.
- Unauthorized departure from the bus when in route from home or school.
- Playing, throwing objects, or otherwise distracting the driver's attention.

- Failure to observe established safety rules and regulations made by the State Department of Public Instruction.

Discipline Plan for Bus Incidents

1st offense – Conference with student, written warning, parent contact, and other consequences deemed appropriate to avoid or eliminate the problem such as community service, mediation with other student(s), and assigned seat on the bus.

2nd offense – 1 to 3 days Bus Suspension and Parent Conference

3rd offense – 3 to 5 days Bus Suspension and Parent Conference

4th offense – 5 to 10 days Bus Suspension, Parent Conference, and possible further consequences or actions.

****Depending on the severity, suspension from the bus for the remainder of the semester or year may be implemented at any time.**

Cell Phones/Other Electronic Devices/Electronic Gadgets Policy:

(NOTE- Bringing any of these items on campus is a decision that LLCA students “choose” to make; students are responsible for all forms of electronic devices).

From 7:30 am -3:00 pm, all student cell phones/other electronic devices/electronic gadgets must be turned off and locked in lockers. If students need to call home, they should follow protocol (with a pass from the teacher, report to the front office). Failure to adhere to the electronics policy will result in the device being taken by a staff member with various consequences to be enforced (i.e., student may receive the device at the end of the class, at the end of the day, or the parent/guardian may be required to come retrieve the device that day or the next day, students may be asked to refrain from bringing the device back to school).

Clubs/Extracurricular Activities Secondary (6-12):

In order to participate and remain eligible for clubs/extracurricular activities:

Students are expected to maintain a positive standing regarding behavior, grades **AND** attendance. Students assigned to In-School Suspension (ISS) or Out of School Suspension (OSS) will not be allowed to attend or participate in Clubs/Extra-curricular events **UNTIL** the entire consequence has been served. Students who have two failing grades will not be eligible to attend until grades are improved. Parents are also expected to pick up their student at the designated time after club/extra-curricular events or meetings. Failure to do so could lead to dismissal from the team (based on the coach’s expectations).

*School administration reserves the right to remove students from participating in extracurricular activities due to excessive or severe disciplinary issues.

Dances-Middle School:

Middle School Dances will be held throughout the school year. All school rules will be in effect. Students will not be allowed to attend the dance if they were assigned ISS or OSS (including bus suspension) from the opening of school to the first dance, and from then on until the next dance. Any student that would require excessive supervision or removal from a dance will not be allowed to attend future dances. Only current Lake Lure Classical Academy students may attend. All students are expected to be picked up at the designated time. Exceptions can be made in the Attendance category in the case of extended illnesses, hospitalization, death in the family, or other extenuating circumstances. FERPA:

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Student's cumulative academic records are kept on file and can be reviewed by parents/legal guardians in the presence of school personnel by making an appointment with administrator or counselor.

Field Trips:

Title I Parent Involvement Policy

Lake Lure Classical Academy: A Challenge Foundation Academy, Inc. (LLCA:CFA) believes that the education of children is an ongoing cooperative partnership between the home and the school. Parents are their children's first teachers; therefore, the continued involvement of parents in the educational process is most important in fostering and improving educational achievement. School system officials shall strive to support parents and provide parents with opportunities to become involved in the programs offered by the Title I schools. The board encourages parents to participate in the design and implementation of the programs and activities in order to increase the effectiveness of the school system's Title I program in helping students meet state local achievement standards.

A. Definition of Parental Involvement

For the purposes of this policy and the Title I program, the term 'parental involvement' means the participation of parents and guardians in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring the following:

1. that parents play an integral role in assisting their child's learning;
2. that parents are encouraged to be actively involved in their child's education at school;
3. that parents are full partners in their child's education and are included, as appropriate, in the decision making and on advisory committees to assist in

- the education of their child; and
4. that the school district engages in activities to support parental involvement in the Title I programs.

B. Purpose and Operation of Title I Program

The Title I program is a federally supported program that offers assistance to educationally and economically disadvantaged children to help ensure they meet the school system's challenging academic standards. The Title I program provides instructional activities and supportive services to eligible students over and above those provided by the regular school program. When applicable, students must be selected to receive Title I services based on objective criteria that are consistent with federal and state requirements, such as standardized test scores, teacher judgment, and results of pre-school screening and home-school surveys.

Qualified Title I schools will operate as school-wide programs or targeted assistance programs based upon federal eligibility criteria. School-wide programs will utilize a comprehensive school improvement process enabling schools to serve all students in the school. Targeted assistance programs will provide services to eligible students in the school having the greatest need for assistance.

Both school-wide and targeted assistance programs shall be based on effective means of improving student achievement and shall include strategies to support parental involvement.

C. Annual Meeting

Each year, Title I parents must be invited to an annual meeting, at which time parental rights will be explained, programs and activities provided with Title I funds will be discussed, and input will be solicited. In addition, all parents will have an opportunity to evaluate the effectiveness of the Title I programs and the parental involvement policies and plans. Data collected from these findings will be used to revise Title I programs and parental involvement plans.

D. Parental Involvement Efforts

The board believes that the involvement of Title I parents in the design and implementations of the Title I program will increase the effectiveness of the program and contribute significantly to the success of the children. The Title I staff and all school system personnel shall strive to involve parents in activities throughout the school year.

The superintendent shall ensure that this system-level parental involvement policy is developed with, agreed upon with and annually distributed to parents of participating students. In addition to the system-level parental involvement policy, each school participating in the Title I program shall jointly develop and annually distribute to parents a school-level written parental involvement policy that describes the means for carrying out school-level policy, sharing responsibility for student academic achievement, building the capacity of school staff and parents for involvement and increasing accessibility for participation of all Title I parents, including parents with limited English proficiency, parents with disabilities and parents of migratory children. School-level plans must involve parents in the planning and improvement of Title I activities and must provide for the distribution to parents of information on expected student proficiency levels and the school's academic performance.

School officials will invite appropriate school personnel from private schools to consult on the design and development of its programs in order to provide equitable services to students enrolled in private schools. 4. coordinate and integrate parental involvement strategies with parental involvement activities in other programs, such as Head Start and similar programs;
5. with the involvement of parents, conduct an annual evaluation of the content and effectiveness of the school system parental involvement policies and program in improving the academic quality of the school;
6. strive to eliminate barriers to parental participation by assisting parents with disabilities and parents who are economically disadvantaged, have limited English proficiency, are migratory or have other backgrounds or characteristics that may affect participation;
7. provide assistance to parents of participating Title I children in understanding the state's testing standards, the assessments used, Title I requirements and all national, state and local standards and expectations through such efforts as community based meetings, sending information home, newsletters, workshops and newspaper articles;
