MORNING ARRIVAL

The earliest a student can be dropped off at school is 7:30 a.m. Aristotle staff members are not on duty until 7:30 a.m. (Teachers who arrive earlier are here to prepare for their day to better serve your children. Please respect their planning time.) The doors will not be open to students until 7:30 am and there will be no supervision until that time.

All students arriving before 7:55 a.m. should be dropped off at the dining area entrance for breakfast. Students will be dismissed from breakfast to the gym after they have had an opportunity to eat and will wait on an adult to escort them to their classrooms. No students will be allowed to enter the dining area after 7:55 a.m. (Exceptions will be made in the case of a bus arriving late and at the discretion of administration) Students arriving after 7:55 a.m. are to enter through the main entrance of the upper building and go straight to the classroom. Instruction begins at 8:00 a.m. Students who arrive after 8:00 a.m. are tardy and must be signed in at the front desk by the parent, or the person who is dropping off the child

EARLY CHECKOUT

Should you need to check out your child from school, advance notice should be given to your child's teacher when possible. To check out your child, you must come into the building and sign your child out of school.

If a child is checked out before 11:30 a.m. and does not return to school that day, he or she will be counted absent from school. To be counted present, a child must be in school for a minimum of 3½ hours of the school day

Except in the extreme case of emergency, no student can be checked out after 2:40 p.m.

DISMISSAL

Dismissal will begin 3:00 pm. Students attending after-school care programs will exit through the left wing (The K-2 side) of the school. Day cares will pick up at the parking lot on the left side.

Bus and car riders will exit through the main entrance of the upper building.

Bus riders will be dismissed first. Once buses leave the parking lot, car riders will be dismissed. Car riders should be picked up no later than 3:20.

Parents picking up their children from school should arrive no earlier than 30 minutes before dismissal and form a line behind the buses. Do not block the right lane. Students will be dismissed from the inside corridor individually by staff members. Please do not cut in line or allow others to get in front of you. Children are prepared to exit inside the building in the order you arrive. Cutting in line will slow the process for everyone.

CODE OF CONDUCT AND APPLICABLE POLICIES

FORWARD

A college preparatory education is the primary purpose of APA. For teachers to teach and students to learn, an atmosphere conducive to learning must be consistently maintained. Accordingly, the teacher, as the recognized authority in the classroom, serves as the role model to set the expectations for student behavior. Discipline is defined as well-ordered, directed behavior. The parents, guardians, students, teachers, school director, administrative and support personnel, and the Board of Directors of Aristotle Preparatory Academy (APA) share responsibilities in the positive development and maintenance of disciplined behavior. Discipline shall be maintained without the use of corporal punishment, which is prohibited at APA. Every student has a right to an environment that encourages learning and is free of disruption. This handbook presents guidelines on behavior and school citizenship for students that are based on policies of Aristotle Preparatory Academy. The following broad categories related to student conduct are included:

The rules of conduct and sanctions for violations detailed in this document are part of our continuing responsibility to monitor student behavior. The explanations of violations and the definition of terms have been expanded to assist students in understanding the expected behaviors.

This set of rules does not replace the administrator's judgment in the review of discipline incidents. The levels indicated for school initiated consequences are a guide for the administrator but the levels may be increased or lessened if, in the view of the administrator, the situation calls for that judgment. (Violations of the laws of North Carolina will be handled pursuant to normal arrest procedures and are not within the administrator's jurisdiction.) The administration has the authority to use administrative discretion in dealing with these matters to ensure the safety and well-being of our students.

For schools to be safe and orderly places for learning, rules must be obeyed. These rules are written to give direction. However, in daily activity, one basic rule is that good sound judgment must be exercised in consideration of conditions of the moment. Furthermore, it is recognized that students need to be active participants in maintaining a safe and orderly school environment. To promote the active involvement and self-discipline of students, school staff members must remember that students need to feel respected and valued. Opportunities to learn from mistakes create a context for students to learn to make good choices in the future. ***Ultimately, the goal is for students to do the right thing, even when no one is looking!***

STUDENT CODE OF CONDUCT

The code of conduct for students in Aristotle Preparatory Academy is presented as rules and sanctions. These rules and sanctions have been adopted by Aristotle Preparatory Academy and represent its official policy. Each rule is accompanied by the consequences (sanctions) for breaking that rule. These consequences are stated as minimum and maximum for each rule violation. Teachers, the School Director, and other authorized personnel (including volunteers and bus drivers) are responsible for monitoring student conduct. Rule violations are to be reported via E-Discipline slips to the Administration with a copy to the School Director.

These school personnel WILL take disciplinary action against any student who violates one or more of these rules in accordance with the stated consequences.

EMERGENCY PROCEDURES AND CLOSINGS

APA has the following emergency procedures in place:

- Fire Evacuation
- Tornado
- Lockdown
- Bomb Threat

All procedures will be practiced within the first few weeks of school and throughout the year as required.

Should an actual emergency take place, parents will be notified through a mass phone call. This phone call will include information regarding the emergency and instructions on how to pick up students (if needed). It is extremely important the school maintain your current contact information in case of emergency.

IT IS THE PARENTS RESPONSIBILITY TO NOTIFY THE SCHOOL IF YOUR PRIMARY CONTACT NUMBER IS CHANGED.

Emergency Closings

In case of inclement weather, Aristotle will follow the Charlotte-Mecklenburg School System for closings, delays and early dismissals. We will also:

- send a mass phone message
- post on our Facebook page
- post on our website
- and alert local news channels.

VISITORS AND VOLUNTEERING

All visitors must enter through the main door, sign-in and receive a visitor tag before proceeding into the school. Visitor tags will allow permission to designated areas. For the safety of our students and staff, we ask that all parents stay in the designated areas they have permission to visit.

All visitors should have appointments that have been scheduled ahead of time if they are going into a classroom. Visitors without appointments will not be permitted to visit in the classes.

If you would like to volunteer, you must submit a background check to the school. You must also speak with the school administrator prior to your volunteer work and agree to the school's policies to keep all matters involving children and their personal matters confidential and to represent the school positively. Volunteers are approved by the school director. The school director also reserves the right to disallow a volunteer from APA.

BUS POLICIES

Zone bus stops are offered as the school is feasibly able to provide. Zone stops will be shared with parents via the school's website. During the beginning of the school year, routes may be adjusted.

All applicable school rules apply to students while riding the bus and at bus stops. The following are additional rules and procedures specific to bus riders:

- Students may only be picked up and dropped off at their assigned bus stop. No student will be picked up from or dropped off at a location that is not one of APA-CFA's predetermined bus stop locations. While waiting to be picked up in the morning from the bus stops, students must remain in their car.
- A parent or guardian must be present at the stop for a child in grades K-3rd to be dropped off. If there is no parent or guardian present, the driver will return to school with the child. The parent will be responsible to provide transportation from school at the end of the route. A student brought back to campus three times during the school year may result in bus riding privileges being revoked.
- Parents may request in writing for children 4th grade and higher to be dropped off at the designated bus stop without a parent present. In addition, written parental consent is required for younger siblings to be dropped off with students 4th grade or older when a parent is not present. These may be considered based on the safety of the children and on a case by case basis.
- If a child is not at their designated stop for 3 or more days in a row, and the parent does not notify the school that the child will not be at the stop, that stop may be eliminated from the route.

While riding the bus, all students must:

- sit properly with hands and feet inside the seat area (not in the aisle).
- sit in assigned seat.
- talk quietly.
- not stick any part of their body or throw anything out of the window.
- keep their hands and belongings to themselves.
- immediately follow all directions given by the bus driver.
- remain in their seats until the bus is at a full stop.
- exit the bus one at a time using the handrail.

Transportation Expectations for Parents:

NO STUDENT SHOULD EVER BE LEFT UNATTENDED AT A BUS STOP.

The bus routes have estimated pick-up times. Travel time can often be delayed due to unpredictable traffic. These times are based on normal traffic patterns and on the assumptions parents will be at their designated stop on time. Parents are expected to be at the designated bus stop 10 minutes before their designated time and wait until the bus arrives. Drivers cannot wait at the stop past the designated stop time, as this will delay the remainder of the route.

Parents are expected to wait patiently and be courteous to the drivers. In the event a parent's behavior is deemed to be threatening or unsafe to the driver or students, the administration reserves the right to exclude their child from riding the bus for the remainder of the school year. In such case, exclusion from the bus may not reflect the student's behavior and may be based solely on the actions of the parent.

GRADING AND GRADE REPORTING

Student progress will be monitored based on mastery of objectives. Each student is expected to master each academic objective. Students needing additional support will participate in scheduled interventions to be determined by the availability of staff.

Kindergarten through second grade progress reports and report cards will reflect mastery of goals and objectives. Third grade and higher will receive letter grades in content areas.

PROMOTION AND RETENTION

APA will only promote students that are academically and socially ready for the next grade. Academic readiness will be determined by considering all of the following:

- attendance records
- performance on MAP testing, formative assessments, as well as EOG testing for 3rd grade and above
- classroom performance and grades
- when applicable, progress toward goals set in Personalized Education Plan (PEP) or Individualized Education Plan (IEP)

When children are performing below expectations, APA provides academic support through interventions. If the teacher determines a child may not be able to make academic gains needed to be on grade level, then there is a possibility of retention. Parents will be notified as early in the school year as possible. It is our goal that parents of these children will be made aware during the fall conference, usually in October.

In all situations, it is the School Director who has the final determination regarding promotion or retention of a student. There is no further allowance for appeals or grievance.

GRIEVANCE POLICY

The School Director is available to hear and discuss concerns, when efforts have been exhausted with the school's employees. If you feel your concerns are not satisfied, you may follow this policy.

1-If the parent with the grievance feels comfortable, they should personally address the person with whom they have a grievance. Should this conversation end amicably and the situation that caused the grievance is resolved, no further action is needed.

2-If the effort described above does not remedy the situation or the parent does not feel comfortable personally addressing the issue, the parent should discuss the situation with the School Director. The parent will be asked to write a statement detailing the grievance. The School Director will then take steps to address and resolve the situation within 30 calendar days. Should this process end the grievance, no further action is needed. Should this process not resolve the grievance, the parent should follow up with the School Director for continued efforts to come to resolution.

3-If the parent with the grievance feels that the School Director has not taken appropriate action, has not addressed and resolved the situation within 30 days or if the grievance is with the School Director, the parent should contact the Parent Representative on the Board. The Parent Representative will then work with the School Director to resolve the situation. If the situation is resolved, no further action is needed. The Parent Representative will have 30 calendar days to address and resolve the situation.

4-If the parent feels that the Parent Representative has not taken appropriate or timely action in resolving the grievance, the parent can then contact the Board Chair. The Board Chair will address the issue with the Board of Directors within 30 days and take whatever action is deemed necessary, if any by the board to resolve the situation. The Board Chair's decision and action is final. There is no further grievance.
