

After-School Fee Increase and Payments
Effective January 30, 2017

Dear Parents,

It is the goal of Brevard Academy to offer a highly effective and structured After-School Program. In order to meet these expectations we need to increase our fees.

Effective January 30, 2017, the price for attending after school is as follows:

Fees

Attend 1 day a week = \$15/day

Attend 2 days a week = \$25/week

Attend 3-5 days a week = \$35/week

Multiple Child/Day Discounts

2 children attend 3-5 days a week = \$55/week

3+ children attend 3-5 days a week = \$70/week

Drop In Students

Students who are not picked up by 3:30 or who are brought back on the bus will be taken to After-School until parents arrive. Parents will be charged \$15 for drop in care.

Late Pick-up

Parents picking up children after 6:00 pm will be charged \$1/minute but no more than \$30.

Payment

Payment needs to be made within 5 school days of receiving the invoice. Students with balances greater than \$99 will not be able to attend after-school until payment is made. If you need financial assistance, contact the School Director.

Please feel free to contact me if you have any questions.

Thank you for your support in advance.
