

School Lottery

We held our school lottery on March 21st and have notified all applicants of the results of that lottery as it relates to their application(s). We are honored that you have chosen VERITAS for your child's education!

Please do not call or email about the waitlist or your admissions status between April and June.

We wish we could address all questions/concerns about waitlist movement personally because we understand how curious and even anxious you may be. Since we operate a school each day, we are unable to answer a large volume of phone calls and emails about waitlist movement while still giving our current students our time and attention.

If a seat becomes available and your child's name is next on the wait list, we will use every phone number and e-mail address on your application to contact you. You are welcome to email Contact@veritascommunityschool.org if that contact information changes. Thank you for honoring this request!

Lottery FAQ:

My child has been awarded a seat at VERITAS! What are the next steps?

You will be notified via email and/or phone of your admissions status along with the due dates for documentation VERITAS needs from you in order to complete your enrollment.

My child is on the waitlist. What do I need to do?

You will be notified via email and/or phone of your admissions status. We will use all the information we have on file to contact you

if your lottery code is admitted in the future.

How long will it take before I hear if my child moves off the waitlist?

Unfortunately, this is impossible to predict; however, you will be notified as soon as his or her name is next on the waitlist when a seat becomes available.
