Current Happenings:

Mystowski Dominates the Geography Bee:

Yesterday morning the 6th-8th grade students took part in the national geography bee. It was a great contest, but Dominic Mystowski continued to show his dominance and took home the title for his third straight year. Incredible job to all students including our runner-up 6th grader Hunter Plaster.

Galloping Gryphons Club:

Do you like horses? Interested in horses? Want to know more about the largest sporting event in the United States this year? Then we have the club for you!! The Galloping Gryphons will be holding an informational/organizational meeting Wednesday January 17th in Misty Yelton's room 203 in the Jr. High Building. Please plan to have your rides here at 3:30.

The theater is calling:

"Auditions for the spring show- The Fair Maid of the West- will be held in the auditorium on January 16th and 17th from 3:00-5:00. There are lots of roles for both men and women, and auditions are open to all students of all experience levels. This is an action/comedy/adventure that we will be putting a sci-fi twist on, so it should be an exciting show

to be a part of. A few scripts are available to sign out from Mr. Foust in room 101 if you are interested in getting a peek before auditions begin. Those who have already signed out copies, get them back to Mr. Foust as soon as possible."

FCA meeting every Wednesday:

The Fellowship of Christian Athlete's will be meeting each Wednesday at 3:00 in Mrs. Masterman's room. Unless there is a life skills club meeting this will be the case for each Wednesday afternoon moving forward.

Summer Internship Opportunity:

Bank of America is offering paid summer internships with nonprofit organizations to 225 juniors and seniors nationwide. Juniors and seniors who are interested in more information should see Mr. Ziegler.

Jr Beta Club:

The Jr. Beta convention will take place on February 5th and 6th, so please be mindful of those dates for planning purposes.
