NOTES: Minimum High School Graduation Requirements – High School is defined as grades 9-12

You must complete four (4) credits of English during high school

You must complete two (2) credits of Latin, plus at least one (1) additional credit of a foreign language of your choice during high school.

You must complete four (4) science credits during high school, and must take Biology, STEM Discovery Lab (Physical Science), Chemistry, and Earth/Environmental Science (that category may possibly be met with 8th grade Earth Science course at TJCA, but you still must complete 4 science credits during 9th-12th grade high school years).

You must complete four (4) social studies/history credits during high school.

You must complete at least four (4) math credits in 9th-12th grades, and you must complete the following courses: Math I/Algebra I, Math II/Geometry, Math III/Algebra II, and Pre-Calculus

You must complete one (1) health/physical education credit in high school.

You must complete Logic, Art History, and Rhetoric in high school.
