Math

This week we will finish Unit 7, Length and Size. The students will continue to compare length, height, and size of two or more objects. We will complete a "show what you know" on Wednesday. We will begin Unit 8, Weight on Thursday.

Class Updates

...

~We all enjoyed the field trip on Thursday! The students had an amazing time and I think the adults enjoyed the show as well.

International Spirit Day

Students may come dressed in traditional clothing from their country or students may dress in a country that we have studied in one of our Domains.

Mindset Monday

We are reading a book called "Odd Bird Out" about a bird named Robert who is different than all other ravens.
