Have fun with Homework!

We believe that students learn best when they are having fun. Each homework day will correspond with a theme: **Make it Monday, Talk About it Tuesday, Write it Wednesday, Technology Thursday, and Flashback Friday.**

Along with each assignment, please have your child read a favorite book for 10 minutes.

Upon completion, please initial the bottom of the box.

Students are required to complete at least 4 nights of homework.

Assignments that are **bolded** must be completed. Written assignments should be placed in the "Return to School" side of their binder and turned in the next day.
