Have fun with Homework!

Please read with your child for 15 minutes on Mondays and Wednesdays and have your child use Study Island on Tuesdays and Thursdays. On Flashback Friday, your child can talk to you about something they learned earlier in the week.

Reading with your child is the most important thing you can do for them. For the days that you read together, please write the name of the book on the calendar.

Upon completion, please initial the bottom of the box.

Feel free to do the activities in any order you would like (ex: Friday HW on Monday), as long as a minimum of 4 days/week are completed and initialed.
