

6/25/2020

Dear Cornerstone Cardinal Families,

I hope this letter finds our families and their loved ones healthy and safe! Because of the grading policies established by the North Carolina State Board of Education (BOE) our end of the year report cards are going to appear different than in the past. This letter is an explanation of how to correctly read the information on the report card.

In order to comply with the BOE guidance regarding elementary school grades, no grades will be assigned to students in grades K-5.

In order to get a sense of your students academic progress through the year, we have mailed mid-year STAR and NWEA reports with a progress report which includes notes from your child's teacher.

Finally, for our elementary school families, I would like to remind them about important summer information.

Summer Reading and Supply Lists - Found on our school website at cornerstone.teamcfa.school

Class Placements - These will be emailed from the school during the week of 6/22/20

2020-2021 Elective Registration - Will be emailed out to families the week of 6/22/20.

Thank you all for your commitment to Cornerstone through a very difficult semester for everyone. I look forward to seeing everyone in the fall!

Sincerely,

Joe Caraher

Director
Cornerstone Charter Academy
