

Dear Cornerstone Families,

Cornerstone believes that finding the best fit between students and teachers is an important part of providing a high quality education. Input from parents about a child's learning characteristics is invaluable in making good placements.

Please click on the link below to complete the form for each of your students currently in Kindergarten - 7th Grade by Friday, May 15, 2020. We ask that you complete this form as fully and completely as possible so that we can make the best decision possible.

[Classroom Information Form](#) (complete the form once for EACH student)

All class placements will be determined by school administration based on any educational requirements, the information provided on this sheet and availability. Because class placement is a complex process involving many variables, it is impossible to guarantee specific requests.

Thank you for your time in completing this form. We miss our students and families and hope that you have a wonderful day.
