

Good evening 12th grade Students and Families,

It is hard for me to believe that we have reached the end of the school year, so I cannot imagine what it must feel like for all of you. It is truly a bizarre set of circumstances in which we have found ourselves! Regardless of the circumstances though, I am extremely proud to have played a role in the lives of these graduates. It is a tremendous group of students who have not only done themselves proud, but have made a difference in our school and community. It is my greatest hope that we are able to see all of these students off in a way that is satisfying.

Graduation will be on June 6th at 10:00 a.m. on our school soccer field. Graduates will need to arrive on campus no later than 8:30 a.m. We will provide details as to where they are to report this coming Monday.

If your family is attending, we request that you complete the form below so that we can provide you with a box for graduation. CCA is not able to provide seating for families (there will be seating for graduates), but you may bring chairs and blankets for you and your family. There will be handicapped seating available; however, we do ask you to exercise extreme caution in bringing people who may be considered "high risk" for contracting COVID-19.

Please complete this form by Sunday May 31st at 6:00 p.m. There will be a zoom meeting at 7:00 p.m. on Sunday May 31st where we will complete a lottery for graduation boxes. School administrators will then assign the boxes based on the lottery results. The information for logging into the Zoom meeting will be sent Sunday afternoon via email. It will also be posted on our school website.

The form is located here: [Graduation Ticket Information](#)

Ticket pick up information will be sent on Monday.

In addition, beginning on Monday of next week we will be releasing additional details for the event. This will include parking and campus directions, student dress code, arrival times, graduation day safety procedures, and other items for note.

Thank you for your patience and commitment through this abbreviated and rushed planning process. We are all excited for the day to arrive!

Joe Caraher
