

School Buildings to Remain Closed Through the Rest of 2019-20

4.24.20

Dear Cornerstone Families,

As was perhaps inevitable, Governor Cooper announced today that school buildings will remain closed to students and staff through the remainder of the 2019-2020 school year.

The press release for the announcement can be found at this link:

As of this email, I am unable to address all the various issues that may arise as a result of this decision. I will be working with the school leadership over the course of the next few days to take this information and translate it into Cornerstone specific items.

I will be in touch with all of our families in the coming days to talk about next steps.

As always, thank you for your patience and commitment to Cornerstone!
