

Since its opening in 2010, **Lake Lure Classical Academy** has focused intently on providing students with a superior educational experience in a safe and supportive environment.

LLCA is also committed to partnering with members of the local community in order to provide quality of life opportunities for all who call Lake Lure "home". **The Raptor 5K & Fun Run**, to be held on April 27th, is such an opportunity.

Won't you please consider investing in a Sponsorship for this year's race? All proceeds will benefit the LLCA Athletic Department and its Student Athletes.

Last year's proceeds were applied towards the development of baseball/softball and soccer fields on the LLCA campus. This year's proceeds will be used to help defray the costs of outfitting our new gymnasium with needed athletic equipment. This facility will be opening soon. This is a dream come true - won't you please help us realize that dream fully?
