

In case of inclement weather, BA-CFA will announce delays or closure when deemed necessary by the School Director or his/her designee. Information regarding school closings or delays will be sent directly to all families via the school's communication phone and email service, and will also be announced by local radio and television, and posted on the BA-CFA website.

**NOTE: BA-CFA will no longer follow Transylvania County School announced closings and delays; thus, it is essential that all contact information is kept up to date for families to receive timely information. Parents are responsible for informing the school of any changes to contact information.**
