Leadership Message

Please help us help your children. We need every student coming to school prepared to give 100-percent and **prepared to learn.** Please ensure that your child completes his/her homework every day, and that

he/she reads books, magazines, newspapers and other print materials in order to develop the love of reading.

Daily attendance and punctuality are integral to the academic success of your child. When a student arrives tardy to school, he/she misses important instructional time and he/she interrupts the learning process of the students in the classroom. **I am respectfully requesting your cooperation in ensuring that your child is in attendance, and punctual, every day.**

On the academic front, teachers are ready to implement new learning strategies that will involve students in creating project-based learning, both in the classroom and at home. All of us at VERITAS want to do the best for your child!

Pure Pizza Fundraiser

A portion of all sales go to VERITAS

Wednesday, February 6
6:00 to 8:00 pm

1911 Central Avenue

News from the Art Room

This week in art students will begin to create with clay. Students will learn different hand building techniques such as, pinch pot, coil pot, and slab work. After each creation dries, students will use acrylic paint to enhance their work.

Artists of the Week

Kayden Grier 2nd Grade

Dean Lister 4th Grade
