

¡Bienvenidos a la Clase Español!

¡Hola! We are so excited to start the Spanish Program in all middle school classes. We are looking forward to meeting our students and guide them to the exploration and acquisition of a new language.

Profesoras:

Sra. Youssef
Sra. Anderton
Sra. Medina

Topics:

- Salutations, talking about themselves
- Learning about Spanish Speaking countries
- Family
- Classroom
- Clothing
- Transportation

Special Events:

We will have so much fun in class while we learn. We will do projects linked with cultural celebrations such as “Día de los muertos” which is a great event in some Spanish speaking countries.

These are just a few of the topics we will cover so we can't wait for the year to start!

¡Nos vemos!
