

# COASTAL PREPARATORY ACADEMY BEFORE & AFTERSCHOOL PROGRAM

Serving students in grades K-7

For the 2018-2019 school year, the Y is holding an onsite Before-school and Afterschool Program at Coastal Preparatory Academy. With a focus on safety, health, social growth, physical education, and academic enhancement, the Y Afterschool Program serves students with a variety of programmatic and activity options to enhance your child's confidence, enrich his or her social and physical development, explore and develop interests and talents, and encourage self-expression.

On school days, the Before-school Program will begin at 6:45am and go until students are released to their classrooms. Programmatically, in the mornings, students will have the opportunity to be active with sports, exercise, and games, or have the option of a quieter morning with the opportunity to play board games, read, finish homework and participate in arts & crafts.

At the end of the each school day, enrolled Afterschool students will be released into the care of Y staff. On a daily basis, children are given the opportunity to partake in a variety of physical activities, including sports, team building, arts & crafts, exercise, and more. We offer a healthy snack, and provide a minimum of 30 minutes of structured homework help. The Y Afterschool program follows Healthy Eating and Physical Activity (HEPA) standards and takes pride in promoting a healthier lifestyle by engaging children in their well being of spirit, mind, and body. The Y Afterschool program is grounded on the character development traits of caring, honesty, respect, responsibility and faith.

The location for workdays, holidays, and camps is our Wilmington Family Y located at 2710 Market Street, Wilmington, NC. We will offer drop off and pick up at CPA with a minimum of 5 families utilizing this option—you will have the opportunity to select this option during signups. Full details on workdays, holidays, and camps will be emailed out before the program date arrives.
